***Rutherford House Provincial Historic Site was the home of the first Premier of Alberta, Alexander Cameron Rutherford. In 1911, A.C. Rutherford and his wife Mattie moved into this beautiful brick mansion near the university campus. The family entertained friends, relatives and influential Edmontonians for more than a generation. Today, this restored and furnished Post-Edwardian style home maintains the Rutherford tradition of hospitality and offers visitors a glimpse into the past with costumed interpreters, guided tours, and special events.***
